32 Weeks of Daily Language Activities Curriculum Map

32 Weeks - A Whole Year of Language Activities! There is an activity for every day of the week....

Yep... Monday to Friday! These *NO PREP* activities provide short and quick opportunities for students to review and reinforce skills in punctuation, grammar, spelling, language, and reading comprehension. Each weekly section provides daily skill review and assessment activities. The daily skill review and assessments are time savers and life savers, especially right after the bell rings!

The ***Bonus Activities*** that follow each week of skills are fun tasks of word and vocabulary puzzles, figurative language, and reading exercises. A short interesting fact about Canada is the finishing touch!

Activities 1 – 4 focus on:

- punctuation, capitalization, grammar, and spelling
- language and reading comprehension skills

Activity 5 focus on:

- a single language or reading skill

Bonus Activity: provides opportunities for extended activities

- word puzzles, vocabulary development
- spelling
- reading skills
- includes a short, interesting fact about Canada

Student Progress Chart

Students may require a modelled example or individual assistance to complete their Progress Chart.

- Students record their daily scores for each Language Activity.
- At the end of the week, they calculate their Total Score
- At the end of four weeks, students evaluate their performance.

Grade 5 Daily Language Weekly Skills List

These activities provide many opportunities for practice of the following skills:
